

Adapt to new normal and overcome post-Covid challenges

Adopt new business reality and seize the opportunity

Reopening your business after Covid is a great opportunity to show your employees that you care about their work, increase engagement and improve job satisfaction. You can do it with Time&Space workforce management platform which streamlines back-to-business activities and helps employees be safe and productive. Here is how you can get there.

Back to business checklist:

Provide and monitor short-time work

- Automate (re)scheduling of vacancies, regular work and short-time work.
- Automate data transfer into the payroll system.
- Automate data preparation for wage compensation claim.

Enable remote work and track hours

- Clock working hours with a simple app and accompany every event with GPS coordinates.
- Streamline your payroll with powerful automated reporting.
- Enjoy our free time tracking software, that lets you organize project, track work hours and share reports.

Optimize your resources, schedule, shift employees

- Ensure physical distancing at work and thus create a safer working environment.
- Use built-in automatic warnings for accurate and legally compliant scheduling.
- Effectively plan and manage absences and overtime work to maximize productivity.

Ensure a safer and healthier environment with a thermal camera

- Accurately and safely measure body temperature at selected access point (+/- 0,3 °C).
- Encourage greater self-control and less risk taking with an existence of a checkpoint.
- Get notified if anyone's temperature is higher than the selected benchmark.

Limit communicable disease risk with contactless access control

- Turn your phone into a secure contactless identification tool with Door Cloud app.
- Go readerless - eliminate the need of classic card readers with smart Door Cloud mobile app.
- You don't need any software licenses as Door Cloud app is a stand-alone secure service.

The Back to business checklist isn't just a reaction to COVID-19 pandemic, but also an investment that pays off in the times of business as usual. If you feel you need more support in getting these processes in place send us an email to info@spica.com or visit www.spica.com.
